

# Hot Chocolate in a Jar

## Items needed (quantity per creation)

- Jar with lid
- Hot chocolate powder (one heaped teaspoon)
- Marshmallows
- Chocolate pieces
- Brown pipe cleaners
- Googly eyes
- Red pom pom
- Hot glue

(This recipe makes the small single serve gift)

## Optional

- Coloured card
- Embellishments

## Instructions

- 1- Make sure jars are clean and fully dry.
- 2- Add in your hot chocolate powder.
- 3- Add in your chocolate chunks and marshmallows, then put on the lid.
- 4- Use your pipe cleaners to create small antlers and then glue onto the jar lid. Then attach the googly eyes and the red nose to finish off the reindeer

## Chocolate for two...

Depending on time and budget you may want to make the bigger chocolate for two jar, simply double the ingredients. For the one above i made the reindeer pieces out of card, use the template on the next sheet to draw and cut out the pieces.
