

Peg Star

Items needed (quantity per creation)

- 6 small pegs
- Hot glue (or PVA)
- 1 Button
- String

Optional

- Paint
- Embellishments

Instructions

- 1- Split the pegs in half - remove the spring.
- 2- Glue two pegs back to back with hot glue (image 2).
- 3- Then glue each of the glued pegs together in the middle
- 4- At this stage you may want to paint the pegs a colour. Once dried add a button to the middle and optionally add embellishments. Finish it off with a string loop for hanging.
