

Pom Pom Ice Cream Cones

Items needed (quantity per creation)

- 3 medium/regular pom poms
- Card or foam paper
- Ballpoint pens
- Hot glue or PVA

Optional

- Glitter
- Embellishments

Instructions

1- First cut out a quarter circle shape to construct the cone from the card or foam paper. (see attached template) Roll up like a cone and glue along the edge.

2- Glue two or three pom poms together to form the ice cream part of the decoration. Both the cone and ice cream can be decorated with glitter or embellishments at this stage.

3- Glue the cone to the ice cream stack and add a loop to the top of the decoration for hanging.

Not just Christmas

This activity will also fit in well in a summer-themed programme. Why not make a garland of these for your space?
