

Colourful Easter

Easter is coming once again, time to add some fun colour and tasty treats into your lives.

Egg Sun Catchers

What better way to add colour than to use the sun. This egg-shaped craft can easily be adapted to any shape.

The base of the craft is made with a clear binder sheet. Black PVA is used to make the dark outlines then coloured PVA is used to fill them in.

Egg Decorating 2022

Mini Nest Pendant

Eggs and nests have been staple icons of Easter for a long time and this creation uses that to make a small item that can be used as a pendant or adapted into something like keychain etc.

Three beads are used as the eggs of the nest, then wire is wrapped around to make a nest shape. Easy.

Something to do

OSCN Programming - Issue 32

Giftable Treats

Rice Bubble Nests

Again with the eggs in a nest, but this time you can eat it once it's done.

Rice bubbles make up the base nest shape. Add some jellybeans or small chocolate eggs in the base and this tasty treat is ready to eat or gift.

Carrot Patch Cupcakes

Even the Easter bunny gets hungry, so let's make a carrot patch to eat.

A chocolate cupcake makes up the soil in the carrot patch. Then plant some orange icing carrots and add some green leaves to finish the patch.

Gifting Treats Bunny Giftbag

All of the treats on this page are delicious but also make for great gifts. This easy gift bag makes for the perfect way to package them to gift. Instructions found at oscn.nz/files/bunnygiftbag.pdf

Easter Crackle

Add all the ingredients, mix it up, let it set, then smash it up. This yummy treat is super simple and looks great too.

Strawberry Carrots

Even more carrots to munch on, but these have a sweet twist.

Orange candy melts are melted down and then strawberries are dipped in to make the carrot shape. It's that simple and they are delicious.
