

# Christmas Popcorn

## Ingredients (makes approx. 1 large bowl)

- 1 Bag Popcorn
- 1 Bag Pretzels
- 200g White chocolate melts
- Christmas coloured sprinkles

## Instructions

- 1- Put the popcorn and pretzels in a large bowl
- 2- Add the sprinkles. They will fall to the bottom, this is okay as the chocolate will mix them evenly
- 3- Melt the chocolate and pour over the mixture while mixing. Keep stirring until the sprinkles are evenly mixed through. If you want you can add more sprinkles before the chocolate dries.
