

Tinsel Jewellery

Items needed (quantity per creation)

- Card
- Tinsel
- PVA glue
- Jewelry findings (earrings or necklace etc)
- 1 jump ring
- Pliers
- Hole punch

Instructions

- 1- Cut your card to the desired shape and size. Punch a hole where you want to attach the item
- 2- Coat one side of the card in glue attach tinsel and leave to dry. Once dry repeat on the other side.
- 3- Cut the edges of the tinsel to the shape of the card. Once this is done coat the whole surface in glue if you wish to hold it securely (PVA dries clear). Leave to dry then do the other side. Using the jump ring attach, the creation to a necklace, earrings etc.
